

## Sony APR-5000 Head Connector Wiring

Bottom view (mating side)  
of female connector on head assembly

Part number for female connector:  
AMP M24308/2-32 204544-2

**NOTE:**

The head switch numbers and wire colour codes are reversed. Switch 8 is connected to brown, switch 1 is connected to grey. The wire colour codes are shown here. Switch common is black.
